

How to Access Citrix Services Using Your Personal Computer

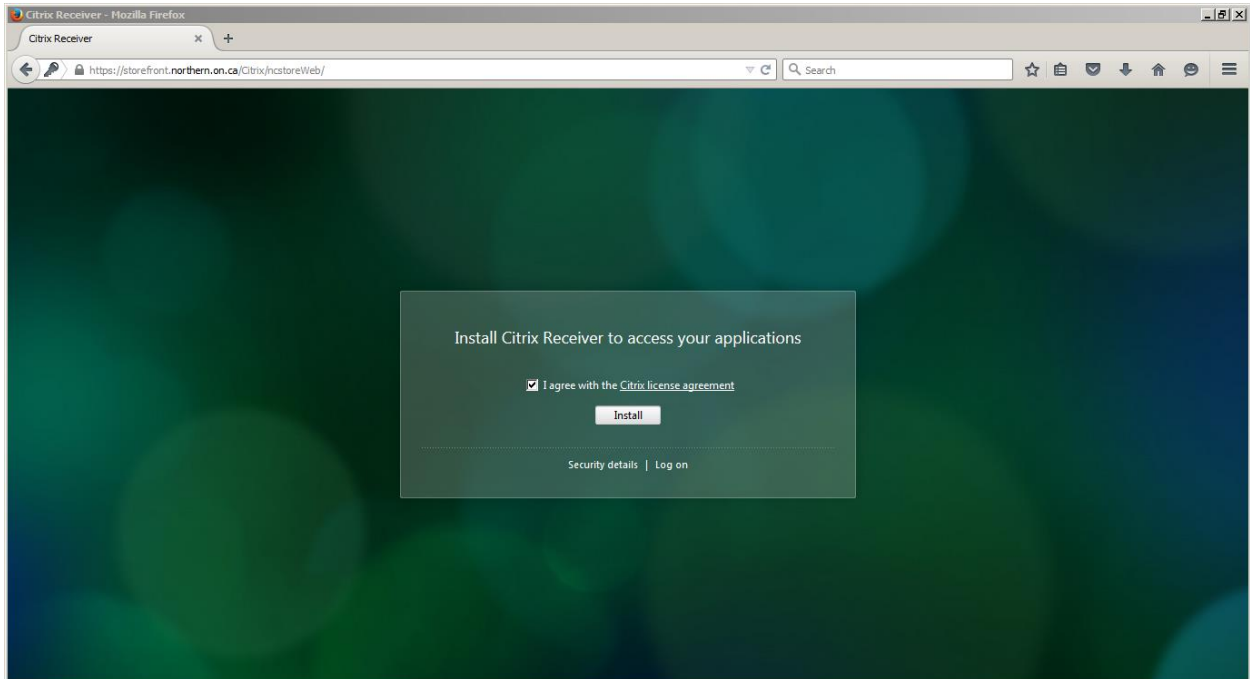

1. Click the "Citrix Login" link in the upper left corner of the <http://northernnc.on.ca/> website.

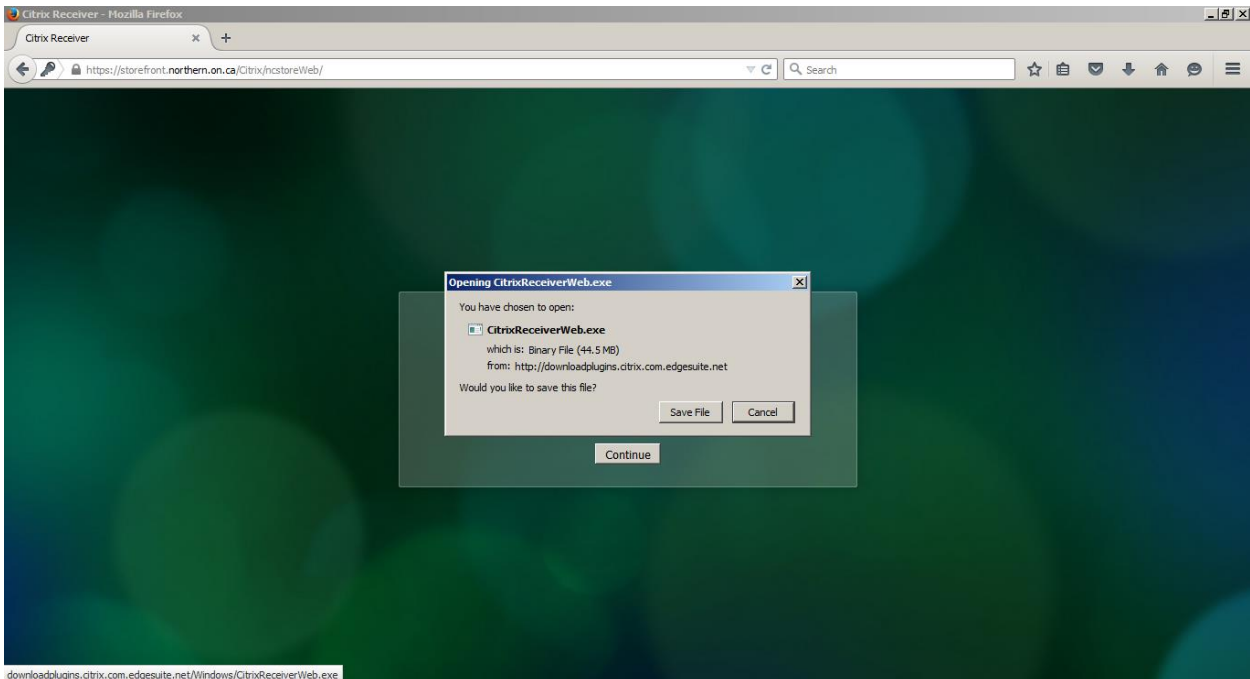

2. Log in to the website using your login credentials provided to you when you register for school.

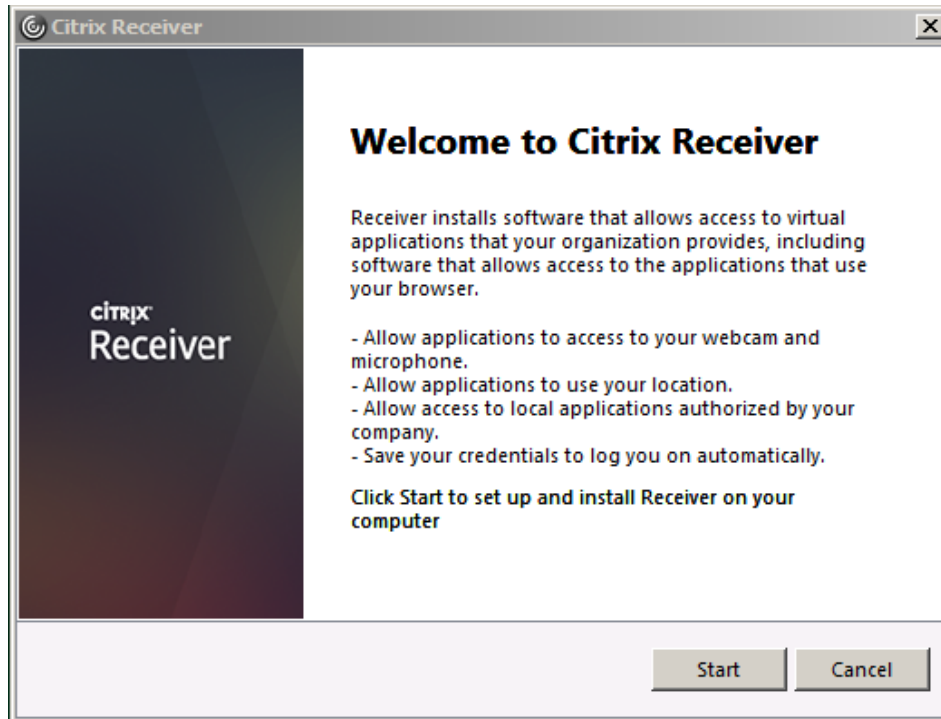

3. When you reach this page, agree to the license agreement and click “Install”

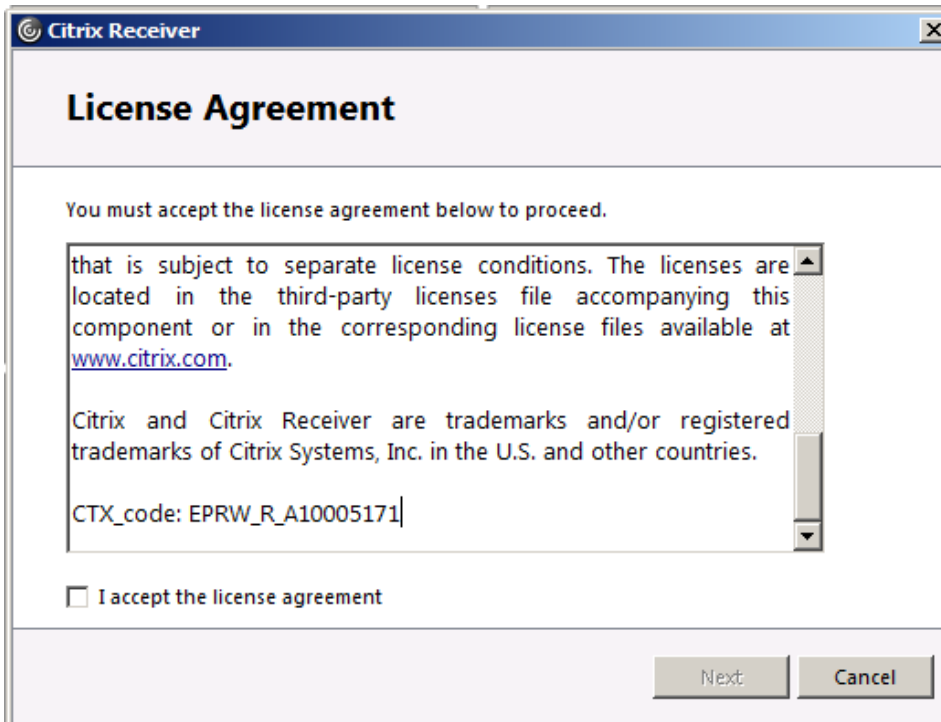

4. You will then be prompted to download the Citrix Receiver Installer and install it. Save the file and run it from the location where you saved it.

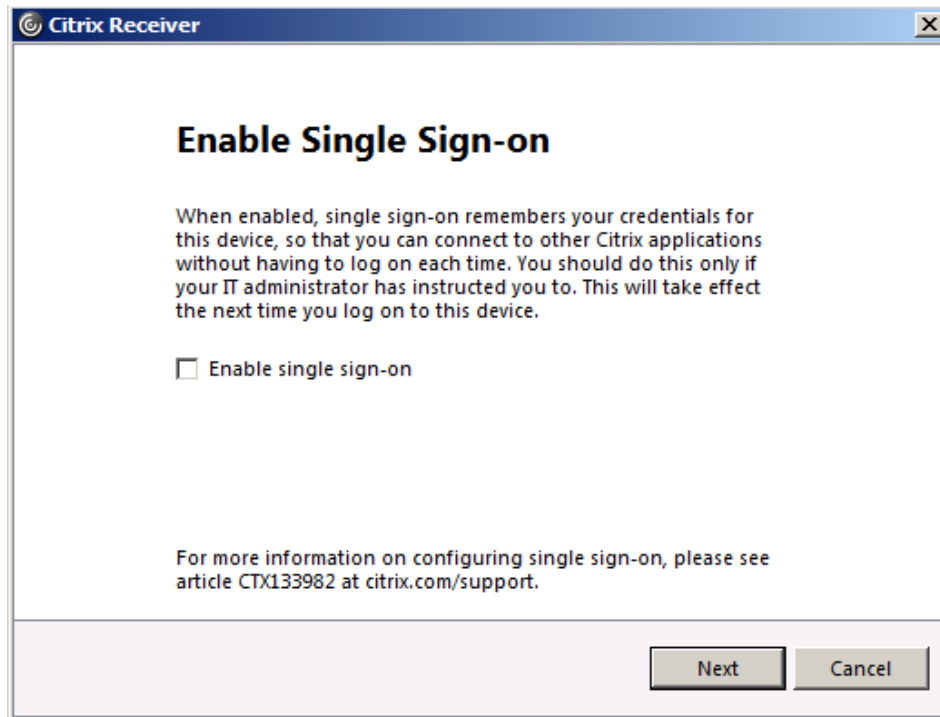

5. Click "Start" to start the installation.

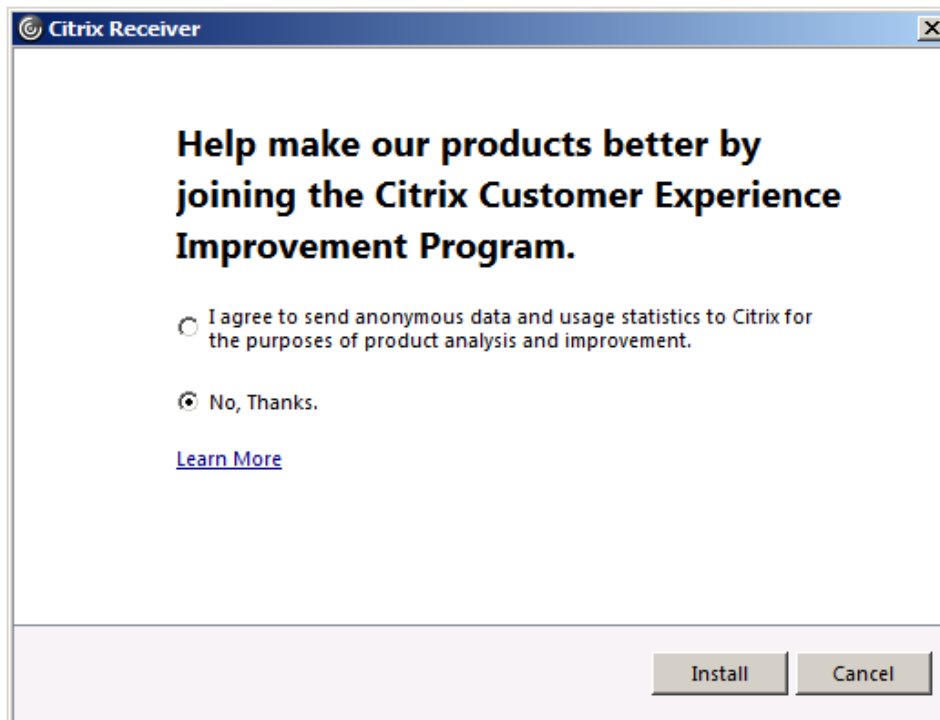

6. Accept the license agreement and click next.

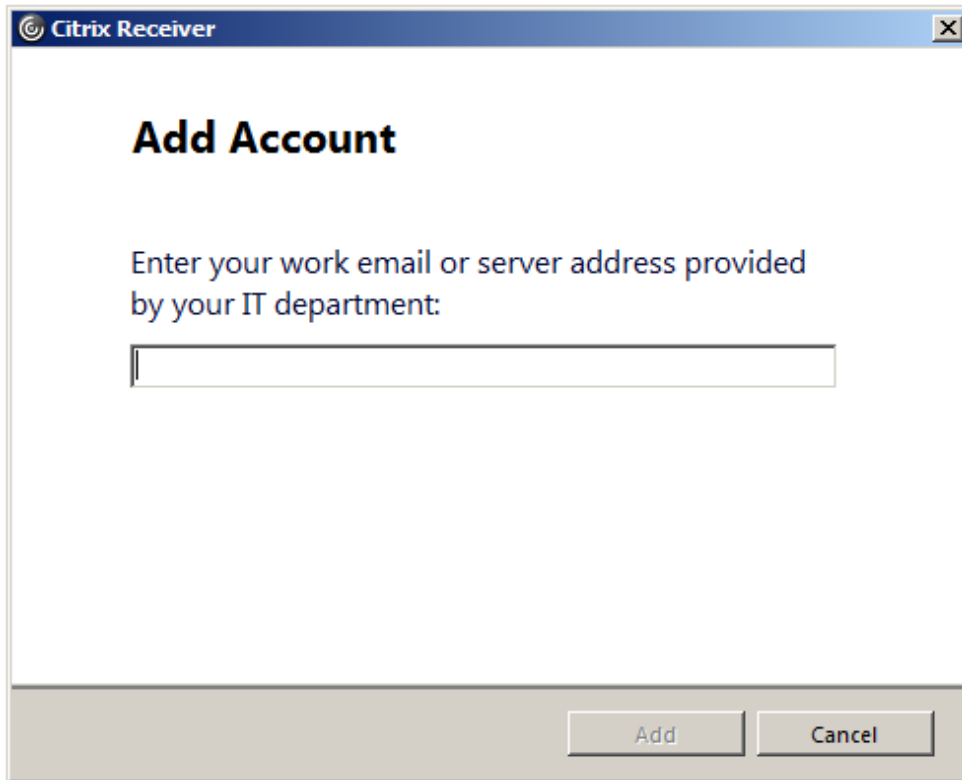

7. Leave the checkbox unchecked and click next.

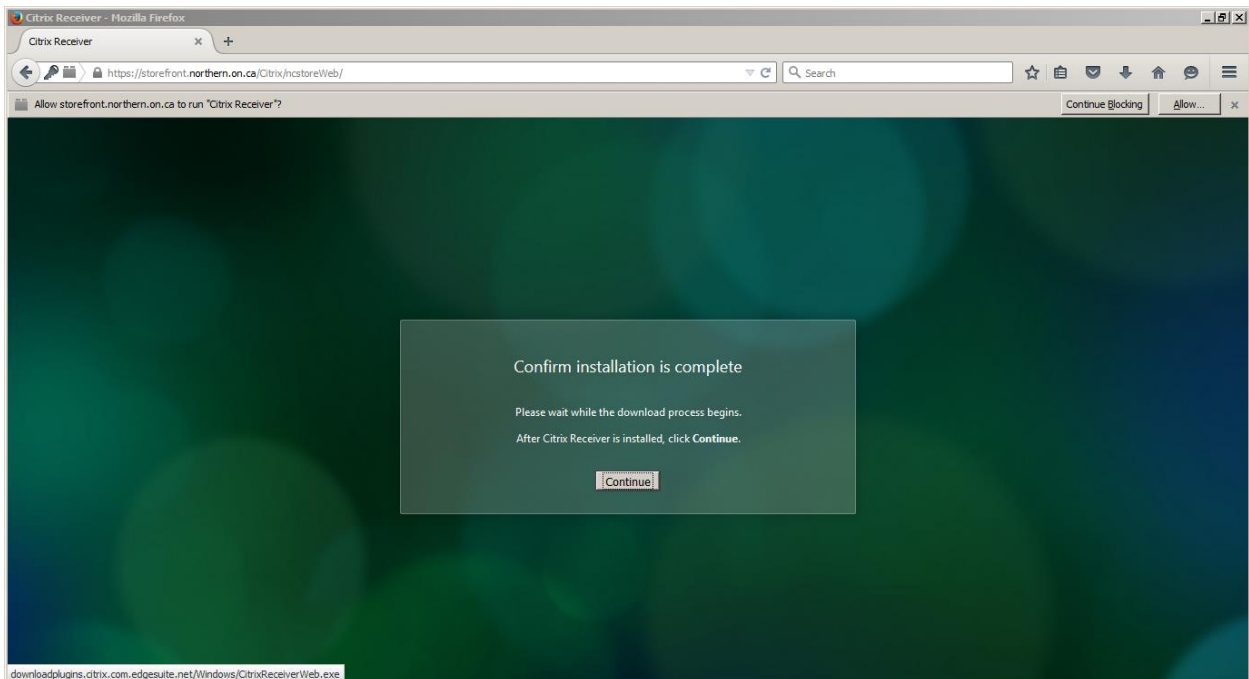

8. Select "No, Thanks." and click "Install".

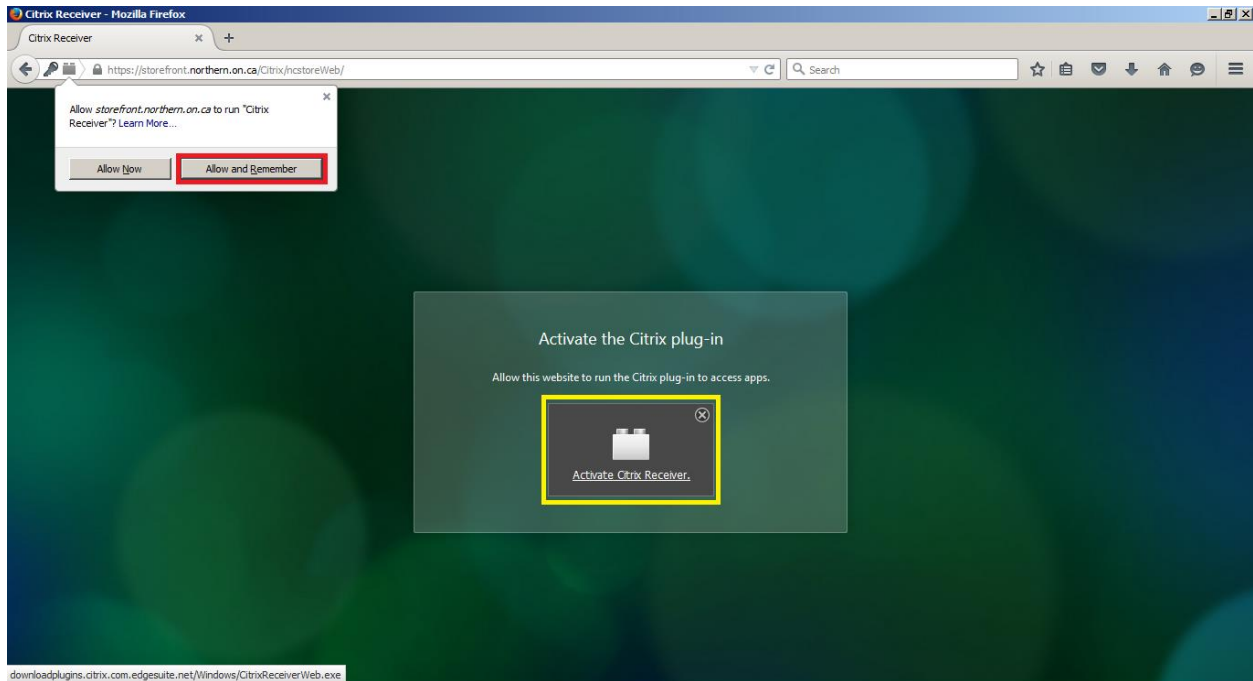

9. If you get this screen after installation, click “Cancel”

10. Go back to your web browser and click “Continue”

11. Some browsers will ask you to activate the Citrix Receiver plugin. If you're using Firefox, click "Activate Citrix Receiver" and then click "Allow and Remember"

12. You're Done!
