

## Installing WoodWorks

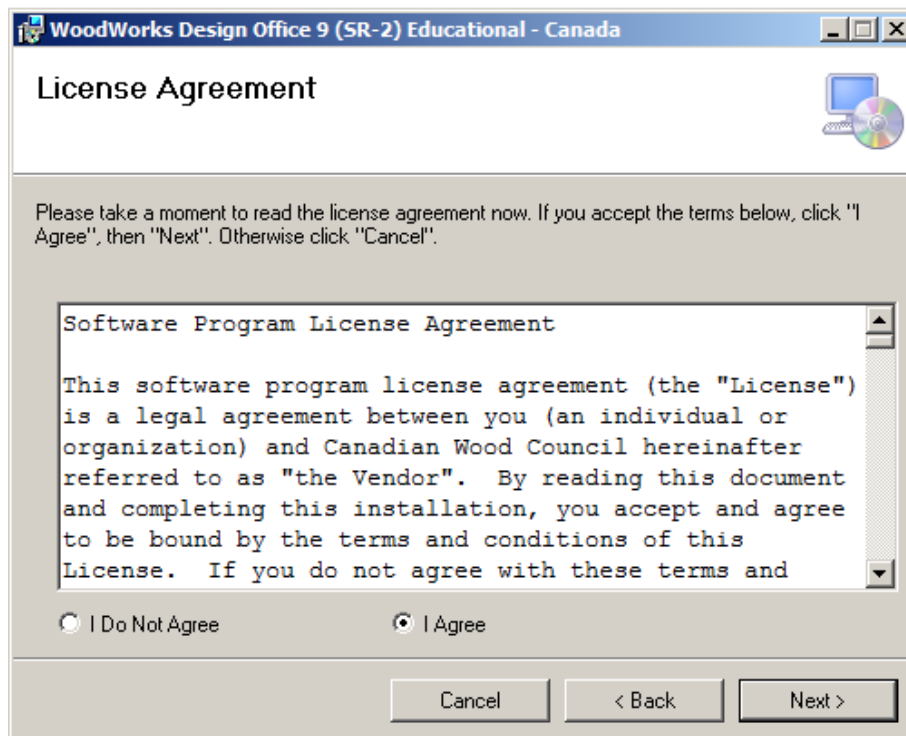

1. Insert DVD – Open Woodworks Folder
2. Once you have WoodWorks Folder Open, double click DesignOfficeCdn9SR2Educational.exe to run it.  
Click “Finish”

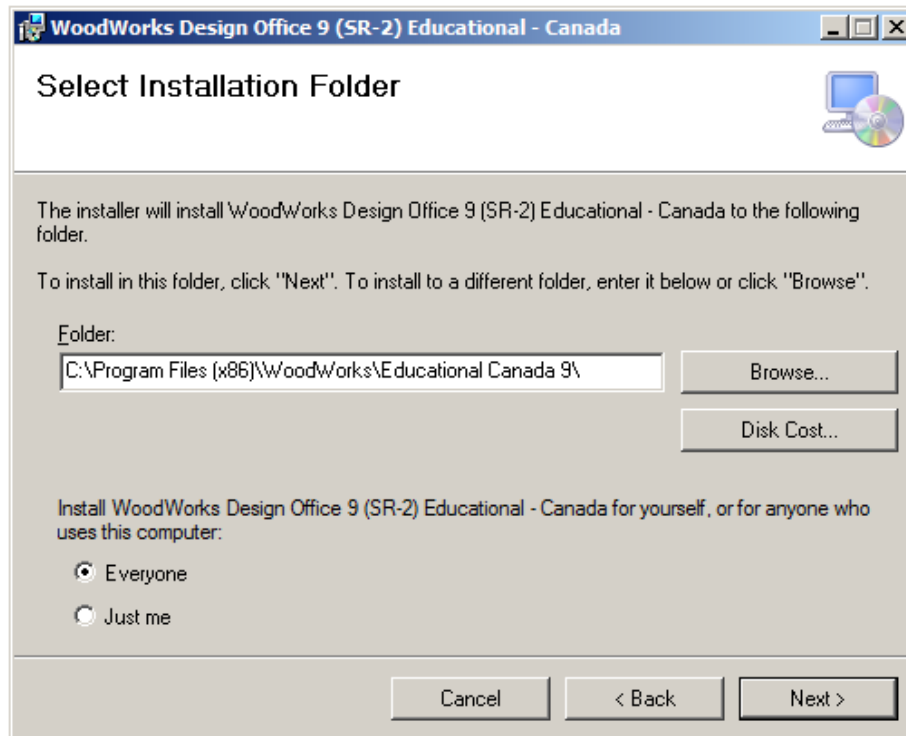

3. Click “Next”

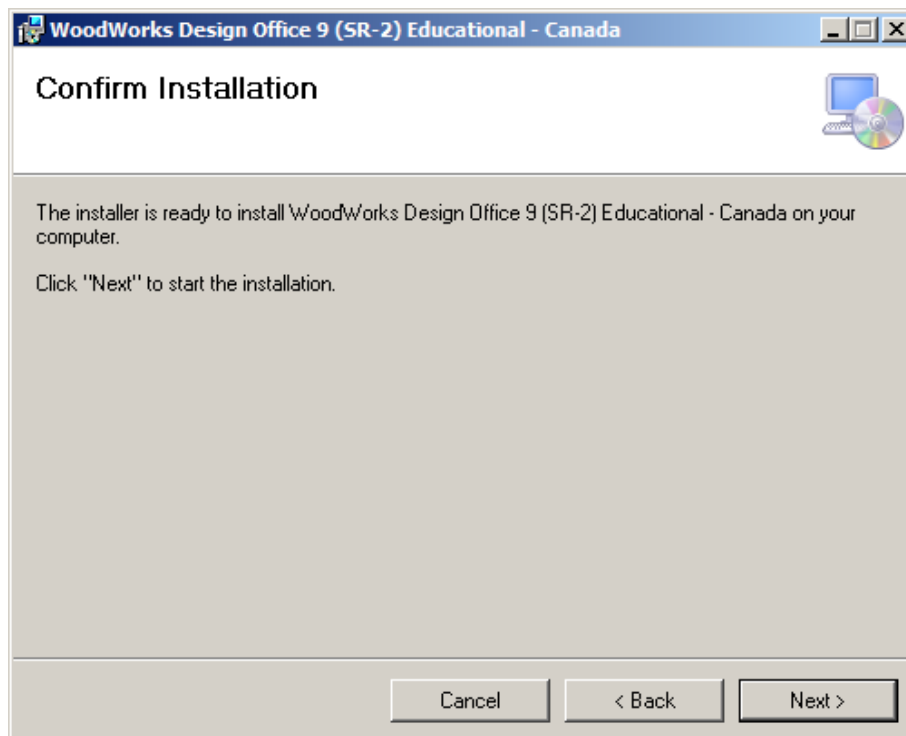

4. Agree to the license agreement and click "Next"

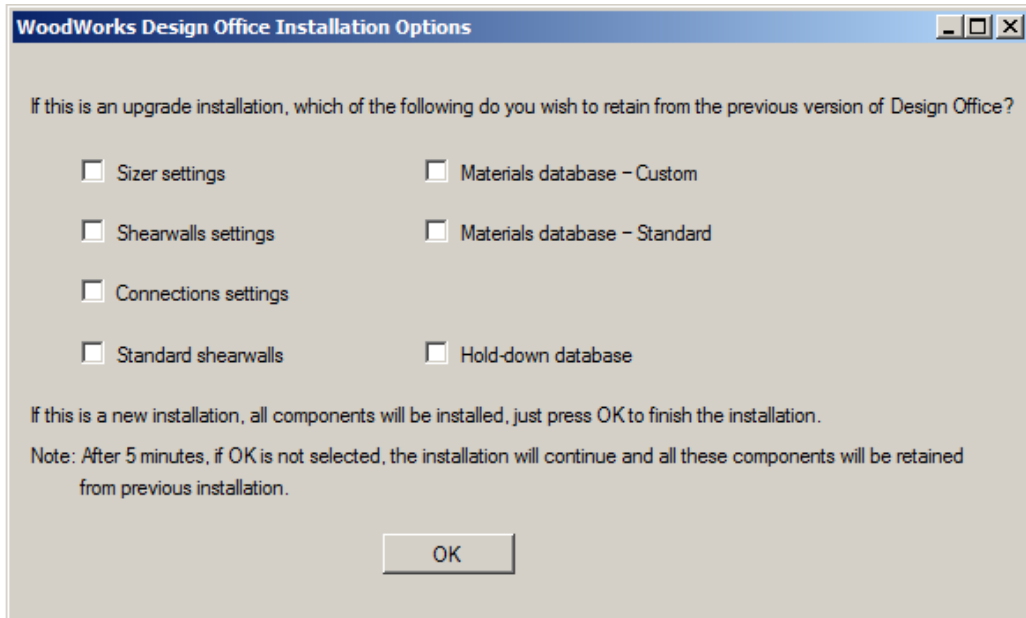

5. Click "Next"

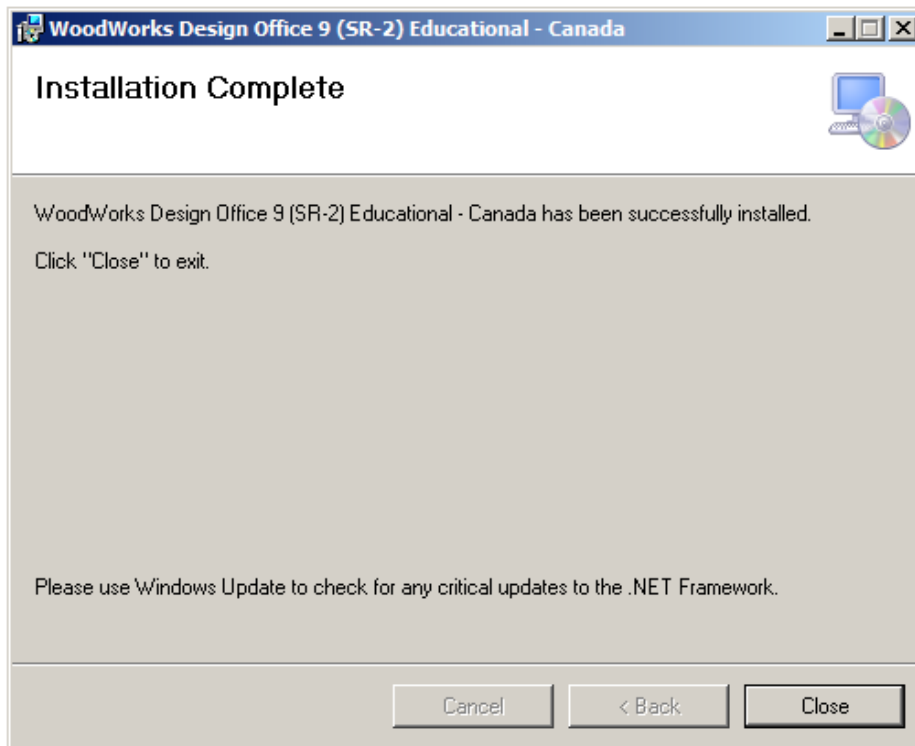

6. Click "Next"

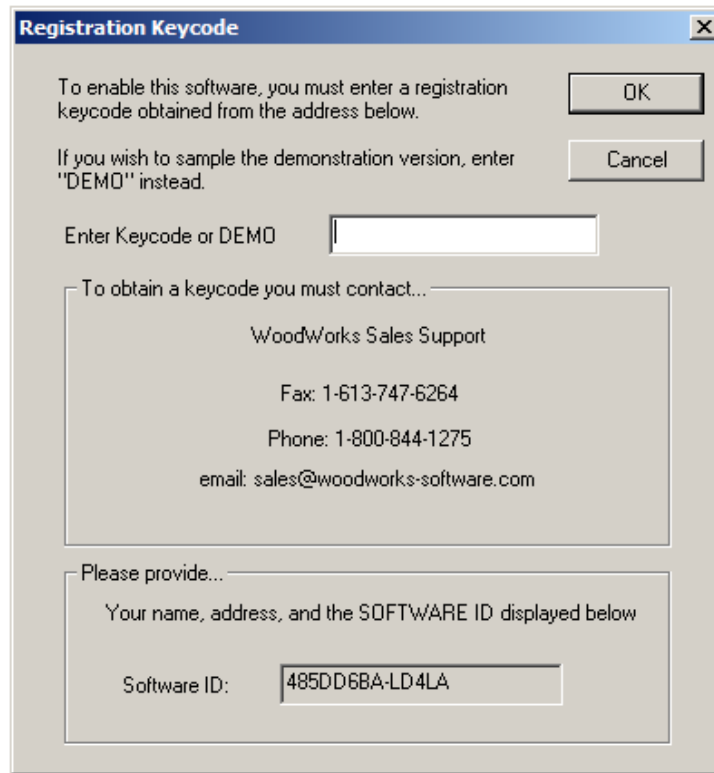

7. Click "OK" when this message comes up.

8. Click "Close"

9. Open any WoodWorks software and you should see this message.  
Write down the "Software ID" number you receive here and bring it to I.T. in room E102

The I.T Department will be able to give you the Keycode needed to register this software.

10. You're Done!
