

ONE MINUTE STUDENT GUIDES

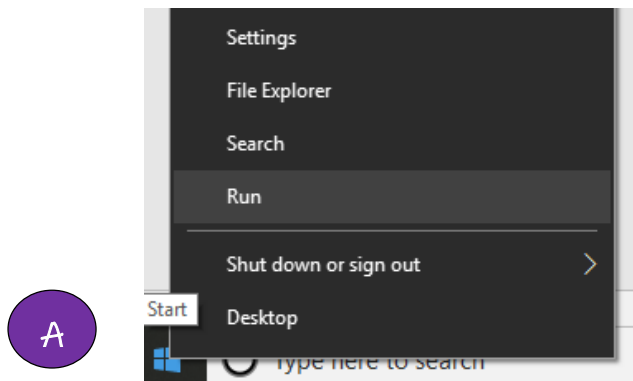

Adding Printers

STUDY. STAY. PLAY.

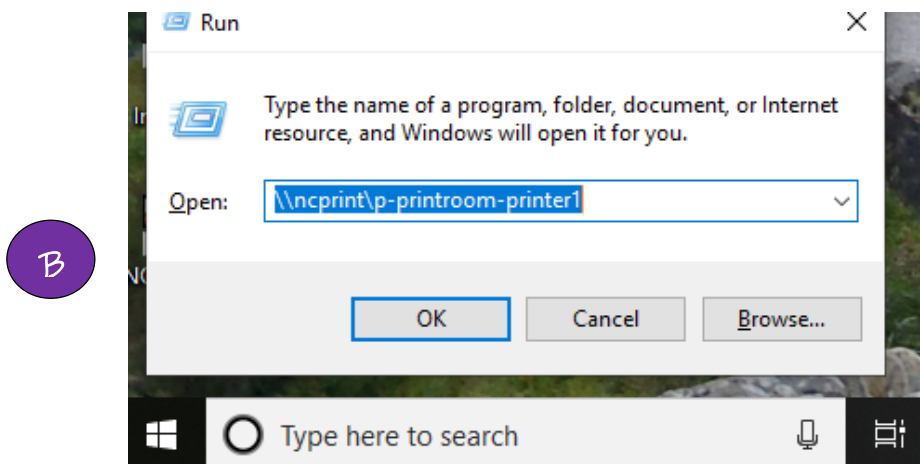

Adding Printers:

(A) Right click on the Windows button in the bottom left hand corner of your screen and click RUN

(B) Enter the printer path ([\\ncprint\p-printroom-printer1](#)) or printer2

- For library printers enter [\\ncprint\p-lrc\printer1](#)) or printer2

(C) When a prompt appears, enter your college credentials (same as blackboard). Type in your username and password using **sigma** as a prefix. Click the **Remember my Credentials** checkbox and press the **Enter** key
