The screenshot shows a Blackboard user interface. At the top right, there is a user profile for 'Test Student' and the text 'Northern College'. Below this is a 'Personalize Page' button. On the left side, there are two sections: 'Eval' with a message 'it required to complete any course evaluations at this time.' and 'Announcements' with a message 'No Institution Announcements have been posted in the last 7 days.' and 'No Course or Organization Announcements have been posted in the last 7 days.' The main content area is titled 'My Courses' and contains a list of courses. A red circle with a white 'C' is overlaid on the 'My Courses' header. The course list includes: 'Courses where you are: Student', 'BB Test Course', 'Black Board Test Course for Anna', 'Blackboard Training Beyond the Basics', 'Blackboard Training Test Course', 'Diamond Driller Assistant Common Core (DDACC)', 'Diamond Driller Assistant Common Core (DDACC)', and 'Health and Healing III - Winter 19'.
