Information for Students

The fees that make the Northern College Student Association (NCSA) possible are now optional, but we encourage you to invest in your own student experience by investing in your own student government. The NCSA is comprised of a group of your peers with an eye towards improving your student experience through fun activities, student supports and events designed to bring students together. The NCSA also serves as your voice in larger College matters, with members actively participating in Northern College Board of Governors meetings.

IT Support

Please visit your campus IT Helpdesk from 8:00am-4:00pm Monday to Friday. We can also be reached at 705-235-3211 ext 7000 or ithelp@northern.on.ca.

After hours support is also available and can be reached at 1-866-999-0799 or by visiting the [Help Center](#).

The [BYOD initiative](#) allows you to have access to tools and resources. Review BYOD information prior to the start of your program to ensure you have a system that meets requirements.
